The River Bend Neighborhood Association was organized in 1986, when a group of neighbors met to discuss the area's needs. Since then, the association has been committed to improving our neighborhood.

Accomplishments have included working with developers to bring historically sensitive development to River Bend and working with other neighborhood associations to work for the common interests of all Des Moines residents.

With your tax-deductible donation, the River Bend Neighborhood Association will be able to fund and host valued community initiatives. Your donations will fund activities such as our National Night Out celebration, our neighborhood "Trunk or Treat," and preparing meals for our neighbors in partnership with Children and Family Urban Movement (CFUM)
